The key speaker will be Fiona Hyslop, MSP, Cabinet Secretary for Education and Lifelong Learning, who will be addressing the topic of "The role of learning centres in the delivery of the new Scottish Skills Strategy". Our other key speaker is Damien Yeates, the chief executive of learndirect scotland.

This event will be taking place in hundreds of locations across Scotland. In fact, wherever there is a computer connected to the internet by a broadband connection you will be able to participate in the conference.
